

AUTHOR STATEMENT

Name and Surname:

Academic title /degree:

Affiliation:

Correspondence address

e-mail

phone:

ORCID iD

I hereby declare that the article titled

.....
.....

1. Is an original work.
2. Is a co-authored work:
 no, I am the sole author
 yes, and the percentage of contribution of each author is as follows:

Name and surname of the Author	Affiliation	Percentage of contribution	Contribution in shaping of the article (e.g. preparation of concept and assumptions, preparation of methods, conduction of research, preparation of text, other)

3. The article or any of its fragments has not been submitted for publication in any other journal.
4. All persons enumerated as authors of the article meet the authorship criteria, that is, they significantly contributed to the planning, data collection and interpretation of results, wrote or edited it critically and approved its final presented version and are in agreement to hold responsibility for all aspects of this work.
5. No person that meets the criteria of authorship has been omitted.

6. All persons indicated as authors of the article are aware of this fact and agreed to it.
7. All persons that are not enumerated as authors, however have significantly contributed to the shaping of the article or helped in its formulation (e.g. authors' editors, translators) are enumerated in the acknowledgements.
8. I hereby declare that I have made every effort to avoid errors in planning of experiments, presentation of data, interpretation of results, etc.
9. In the article, original data is clearly distinguished from published data. Sources of all information that come from different publications are provided. Materials subject to copyright (tables, diagrams, quotations) are being reproduced by courtesy and in accordance with copyright laws and regulations.
10. None of the data presented in the article have been fabricated or distorted, and no significant data have been excluded.
11. The results of research have been interpreted in an objective way. All conclusions that are conflicting to the author's point of view have been discussed in the article.
12. The article, to the best of my knowledge, does not include any element that would be defamatory, against the law, does not violate copyright held by different persons or other rights and does not constitute danger to public safety.
13. As the author of research and the person responsible for its presentation, I hereby declare that there is no conflict of interest. I am ready to present all financial or personal connections with persons and organizations that might have or have financial interest related to the publication of the article.
14. I am in agreement to send the article for 'double blind' review, the result of which will decide on accepting/rejecting of the article for the press, and to implement changes regarding editing and proofreading, that are in line with journal's publishing standards.
15. I know and accept the publishing policies of the journal. I agree that the full version of the article is available on the online open access journal model, in line with regulations identical to *Creative Commons Attribution License 3.0* (also known as CC-BY) or any of the subsequent versions of this license, published by Creative Commons.
16. I hereby declare that the above information is in line with the actual state and I am aware that false declarations will be disclosed, including notification to relevant entities (institutions that employ the author, scholarly associations, etc.).
